Latest IBM Syllabus

➤ Cognitive Ability Games

- ✧ Problem Solving
- ✧ Verbal Knowledge
- ✧ Numerical Reasoning

➤ Personality Test

For the Personality/Psychometric Test, there is no such object as a syllabus. Learning Agility Assessments are a broad evaluation of your work personality, including your ability to collaborate with people, attitude, and work ethic, among other characteristics. This stage is an elimination phase, in which the majority of students are eliminated. Candidates must respond to the following questions in the following order:

➤ English Language

- ✧ Spotting Error
- ✧ Tenses and Articles
- ✧ Spelling
- ✧ Synonyms
- ✧ Antonyms
- ✧ Active/ Passive Voice
- ✧ Fill in The Blanks
- ✧ Preposition and Conjunctions

IBM Test Pattern
